Bidders will make a presentation before the client during the technical evaluation stage. The objective of the presentation is to enable the client to evaluate the bidders about 'their understanding and preparedness for the proposed assignment. Clarifications, if any, as required by the client will also be discussed during the meeting.

The financial proposals of the technically qualified bidders will be opened on the date as mentioned in the EoR any change in the date will be intimated to the technically qualified bidders. Hence, the bidders/bidders' representatives should make themselves available for the same. **The bidder whose technical proposal secures a score above the minimum qualifying mark of 70 in the technical evaluation stage will be qualified for opening of the financial proposal.**

- **FINANCIAL EVALUATION (3rd Stage):** The financial proposals of the technically qualified bidders only shall be opened at this stage in the presence of the bidders/bidders' representatives who wish to attend the meeting with proper authorization letter. The name of the bidder along with the quoted financial price will be announced during the meeting.

8. Evaluation Process:

Quality and Cost Based Selection (QCBS) method will be followed during the overall selection process. Based on the evaluation of technical proposal, the technically qualified bidders shall be ranked highest to lowest Technical Score (S_T) in accordance to the marks obtained during the technical evaluation stage. There shall be **70%** weightage to technical score and **30%** weightage to financial score.

The individual bidder's financial score (S_F) will be evaluated as per the formula given below:
 $S_F = [F_{min} / F_b] \times 100$ (rounded off to 2 decimal places)

where,

S_F = Normalized financial score of the bidder under consideration

F_{min} = Minimum financial quote among the technically qualified bidders

F_b = Financial quote of the bidder under consideration

Combined Score (S) = $S_T \times 0.7 + S_F \times 0.3$

Where S_T = Technical score secured by the bidder

The bidder securing the highest evaluated **Combined Score (S)** will be awarded the contract observing due procedure. For the purpose of evaluation, the total evaluated cost shall be inclusive of all taxes & duties for which the client will make payment to the Partnering Agency including overhead expenses, such as travel, accommodation, logistics, report preparation, printing & other secretarial expenses.

9. Performance Bank Guarantee (PBG):

Within 7 days of notifying the acceptance of proposal for the award of contract, the qualified bidder shall have to furnish a Performance Bank Guarantee amounting to **10% of the contract value** from a Scheduled Commercial Bank situated in Cuttack in favour of **Director, AH&VS, Odisha, Mangalabag, Cuttack** as per the format at **Annexure-III**. MSE and Start-ups shall get the concession and deposit 25% of Performance Security that applicable to normal bidder. Performance Security shall remain valid for a period of 60 days beyond the completion of all contractual obligation including warranty. Failure to comply with the requirements shall constitute sufficient grounds for the forfeiture of the PBG. The PBG shall be released immediately after three months of expiry of contract provided there is no breach of contract on the part of the qualified bidder. No interest shall be paid on the PBG.

10. Contract Negotiation:

Contract Negotiation will be held at a date, time and address as intimated to the selected bidder. The invited bidder will, as a pre-requisite for attendance at the negotiations, confirm availability of all the proposed staff for the assignment. Representative conducting negotiations on behalf of the bidder must have written authority to negotiate and conclude a

contract. Negotiation will be performed covering technical and financial aspects, if any, and availability of proposed professionals etc. At no stage the negotiated price will be above the bidder's quoted price.

11. Award of Contract:

After selection, the client will notify the successful bidder in writing by issuing an offer letter for signing the contract and promptly notifying all other bidders about the result of the selection process. The successful bidder will be asked to sign the contract after fulfilling all formalities within 7 days of issuance of the offer letter. 12. Conflict of Interest:

Conflict of interest exists in the event of: (i) conflicting assignments, including implementing, providing consultation, monitoring and evaluation/environmental assessment of the same scheme/project at a different level by the eligible bidder; (ii) Consultants, agencies or institutions (individuals or organisations) who have a business or family relation with officials of the client directly or indirectly; and (iii) practices prohibited under the anti-corruption policy of the Government of India and Government of Odisha. The bidders are to be careful so as not to give rise to a situation where there will be any conflict of interest with the client as this would amount to their disqualification and breach of contract.

13. Disclosure:

- Bidders have an obligation to disclose any actual or potential conflict of interest. Failure to do so may lead to disqualification of the bidder or termination of its contract.
- Bidders must disclose if they are or have been the subject of any proceedings (such as blacklisting) or other arrangements relating to bankruptcy, insolvency or the financial standing of the Bidder, including but not limited to appointment of any officer such as a receiver in relation to the Bidder's personal or business matters or an arrangement with creditors, or of any other similar proceedings.
- Bidders must disclose if they have been convicted of, or are the subject of any proceedings relating to:
 - a criminal offence or other serious offence punishable under the law of the land, or where they have been found by any regulator or professional body to have committed professional misconduct;
 - corruption including the offer or receipt of an inducement of any kind in relation to obtaining any contract;
 - failure to fulfill any obligations in any jurisdiction relating to the payment of taxes or social security contributions.

14. Anti-corruption Measure:

- Any effort by Bidder(s) to influence the Client in the evaluation and ranking of financial proposals, and recommendation for award of contract, will result in the rejection of the proposal.
- A proposal shall be rejected if there's a recommendation for award of Contract in favour of the bidder and it is determined that the recommended bidder has directly, or

through an agent, engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the contract in question. In such cases, the Client shall blacklist the bidder either indefinitely or for a stated period of time, disqualifying it from participating in any related bidding process for the said period.

15. Language of Proposals:

The proposal and all related correspondences exchanged between the bidder and the Client shall be written in the **English** language only. Supporting documents and printed literature that are part of the proposal may be in another language provided they are accompanied by an accurate translation of the relevant passages in English with self-certification for accuracy, in which case, for the purposes of interpretation of the Proposal, the translated version shall govern.

16. Cost of bidding:

The Bidder shall bear all costs associated with the preparation and submission of its proposal. The Client shall not be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process. Bidders are not allowed to submit more than one proposal under the selection process. Alternate bids are also not allowed.

17. Proposal Forms:

Wherever a specific form is prescribed in this EoI document, the Bidder shall use the form to provide relevant information. If the form does not provide space for any required information, space at the end of the form, additional sheets shall be used to convey the required information. For all other cases, the bidder should design a form to hold the required information. *Any deviation to the prescribed format of the EoI results in rejection of the proposal.*

18. Local Conditions:

Each bidder is expected to become fully acquainted with the local conditions and factors, which may affect the performance of the contract and/ or the cost. The bidder is expected to know all conditions and factors, which may have any effect on the execution of the Contract after issue of letter of Award. The client shall not entertain any request for clarification from the bidder regarding such local conditions. It is the bidder's responsibility that such factors have been properly investigated and considered before submitting the Proposal. No claim, whatsoever, including that for financial adjustment to the Contract awarded under the bidding document will be entertained by the Client. Neither any change in the time schedule of the Contract nor any financial adjustments arising thereof shall be permitted on account of failure of the bidder to know the local laws/ conditions. The Bidder is expected to visit and examine and study the location of Government offices and its surroundings and obtain all information that may be necessary for preparing the proposal at its own interest and cost.

19. Legal Jurisdiction:

All legal disputes are subject to the jurisdiction of civil court of Cuttack only.

20. Governing Law and Penalty Clause:

The schedule given for delivery is to be strictly adhered to in view of the strict time schedule. Any unjustified and unacceptable delay in delivery shall render the bidder liable for liquidated damages and thereafter the Client holds the option for cancellation of the contract for pending activities and complete the same from any other agency. The Client may deduct such sum from any money from their hands due or become due to bidder. The payment or deduction of such sums shall not relieve the bidder from his obligations and liabilities under the contract. The rights and obligations of the Client and the bidder under this contract will be governed by the prevailing laws of Govt. of India and Govt. of Odisha. Failure on bidder's part to furnish the deliverables as per the agreed time line will enforce a penalty **@ 1% per week** subject to maximum of **10% of the total contract value**. The amount will be deducted from the subsequent payment.

21. Confidentiality:

Information relating to evaluation of proposals and recommendations concerning awards shall not be disclosed to the bidders who submitted the proposals or to other persons not officially concerned with the process, until the publication of the award of contract. The undue use by any consultant of confidential information related to the process may result in rejection of its proposal and may be subject to the provisions of the client's antifraud and corruption policy. During the execution of the assignment except with prior written consent of the client, the consultant or its personnel shall not at any time communicate to any person or entity any confidential information acquired in the course of the contract. Any effort by the bidder to influence during the proposal evaluation stage may result in the rejection of the proposal.

22. Amendment of the EoI Document:

At any time before submission of proposals, the client may amend the EoI by issuing an addendum through Directorate of Animal Husbandry & Veterinary Services website. Any such addendum will be binding on all the bidders. To give bidders reasonable time in which to take an addendum into account in preparing their proposals, the client may, at its discretion, extend the deadline for the submission of the proposal.

23. Client's right to accept any proposal and to reject any or all proposal/s

The client reserves the right to accept or reject any proposal, and to annul or amend the bidding / selection / evaluation process and reject all proposals at any time prior to award of contract, without assigning any reason thereof and thereby incurring any liability to the bidders. Misrepresentation/improper response by the bidder may lead to disqualification of the bid. If such disqualification/rejection occurs after the proposals have been opened and the highest-ranking applicant gets disqualified/rejected, then the client reserves the right to consider the next best bidder, or take any other measure as may be deemed fit in the sole discretion of the client, including annulment of the selection process.

24. Copyright, Patents and Other Proprietary Rights:

Fisheries & Animal Resources Development Department, Government of Odisha shall be entitled to all intellectual property and other proprietary rights but not limited to patents copy rights and trademarks, with regard to documents and other materials which bear a direct relation to or are prepared or collected in consequence or in the course of the execution of this contract. At the client's request, the Partnering Agency shall take all necessary steps to submit them to the client in compliance with the requirements of the contract.

25. Force Majeure:

For purpose of this clause, "Force Majeure" means an event beyond the control of the agency and not involving the agency's fault or negligence and not foreseeable. Such events may include, but are not restricted, wars or revolutions, fires, floods, riots, civil commotion, earthquake, epidemics or other natural disasters and restriction imposed by the Government or other bodies, which are beyond the control of the agency, which prevents or delays the execution of the order by the agency. If a Force Majeure situation arises, the agency shall promptly notify client in writing of such condition, the cause thereof and the change that is necessitated due to the condition. Until and unless otherwise directed by the client in writing, the agency shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event. The agency shall advise client in writing, the beginning and the end of the above causes of delay, within seven days of the occurrence and cessation of the Force Majeure condition. In the event of a delay lasting for more than one month, if arising

out of causes of Force Majeure, client reserves the right to cancel the contract without any obligation to compensate the agency in any manner for whatsoever reason.

26. Arbitration:

The Client and the agency shall make every effort to resolve amicably, by direct negotiation, any disagreement or dispute arising between them under or arising from or in connection with the contract. Disputes not so resolved amicably within 30 days of receipt of notice of such as a dispute shall be resolved by a sole arbitrator nominated by the Principal Secretary to Govt., Fisheries & Animal Resources Development Department, Government of Odisha. The arbitration proceedings shall be governed in all respects by the provision of the Indian Arbitration and Conciliation Act, 1996 and the rules there under and any statutory modification or re-enactment, thereof.
