Pre-Bid Corrigendum

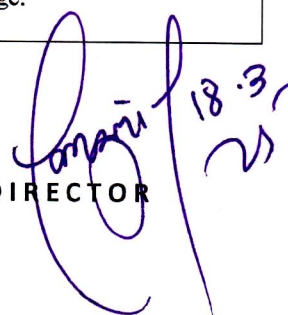

**Bid reference No-02/2024-25/ DAHVS/ Veterinary Care Equipment, Consumables &
Ancillaries dt.01.02.2025**

Sl. No.	Particulars	Relevant specification as mentioned in the Tender Document against which queries has been raised	Queries raised by the prospective Bidder	Clarifications / Amendments in response to the queries
1.	EMD – Section-III Clause 3.1	Bidders except MSE / OSME& START-Ups are required to deposit EMD of Rs.85,00,000/- (Rupees Eighty Five Lakh) as per Rule 212(1) of OGFR 2023 and vide MSME Department Notification No-566/MSME dt.24.01.2024 as bid security. The OSME / local MSE & Start-Ups of Odisha are exempted to furnish the EMD. To claim exemption the bidders must have to submit the supporting documents	EMD should be 2-5% of tender value, but the bid value is not mentioned in the bid document. If any bidder wants to quote few items, then the bidder should not be imposed to deposit EMD of Rs.85.00 lakhs. Requested for provision of individual item wise EMD. It will attract more nos. of bidders to participate in the bid and quote their best price. Raising of EMD, that will attract committed and financially sound supplier to ensure competitive price and in time delivery.	EMD has been determined between 2 to 5% of the estimated tender value. As per Rule 212(ii) of OGFR-2023, the exact amount of bid security (EMD) should be determined and indicated in the bid document. It is not mentioned in the said rule to declare the tender value and percentage of EMD. The EMD value has been fixed at Rs.85.00 lakh which is mentioned in the bid document.
2.	Performance Security – Section-III Clause 3.1	10% of total contract value excluding taxes	Performance Security should be minimum to get more bidders and better products.	No change
3.	Turnover – Turnover & Experience- Clause-5.2.6.1 & 5.2.6.2	Annual average turnover (Manufacturers/Importer) of Rs.4.50 Cr (Four Crore Fifty Lakh) or more in any three (3) consecutive financial years during 2018-19, 2019-20, 2020-21, 2021-22, 2022-23. Bidder must have 3 (three) years' experience in supplying Veterinary equipment and instruments of its own manufacturing or reputed manufacturers of National level to Central & State Government / semi Govt. organizations, PSUs Annual average worth of Rs.4.00 Cr. or more in the any three (3) financial years during 2018-19, 2019-20, 2020-21, 2021-22, 2022-23.	Clarify whether bidder participating for only few products must have to meet the requirement of Turnover & Experience. Request to reduce the annual average amount of turn over & experience. To increase annual turnover to Rs.15.00-30.00 Crore & minimum experience value requirement to Rs.10.00-40.00 Crore in past 3 years to ensure financially sound supplier Requesting to reduce the turnover requirement to 3-4 Crore. So that multiple bidders may participate with better price and quality for	To apply for few items, bidders must have to meet the turn over and experience requirement as per bid document. No change No change No change

			the interest of Govt. Proposed to add a clause stipulating that, at least 20% of the overall experience value must be derived from supplying to Odisha Govt. in order to ensure that the suppliers possess demonstrable local expertise.	No change
4.	Rate Contract – Clause-2.2.3	This is a Rate contract Bid, the rate of which will be valid for a period of 2 (Two) years from the date of finalization of rate contract. During the validity period Director, AH & VS, Odisha may place repeated order to supply the same item procured under this tender irrespective of the quantity mentioned in it.	Estimated value of each item should be mentioned with total quantity column in BOQ.	As mentioned in the bid document, it is a Rate contract tender. Quantity mentioned in the bid is tentative and it will be increased or decreased substantially. Once the rate is derived, quantity will be decided as per requirement which may vary substantially.
5.	Manufacturer's authorization – Clause-5.2.7.1	They have to submit manufacturer's authorization from the original equipment manufacturer (OEM) as per Format-T7. Manufacturer cannot authorize multiple agents for same product.	Requesting to allow multiple authorized distributor of an OEM to ensure best value and faster delivery, stock availability and minimizing supply chain disruption.	OEM can authorize maximum two agents for same product in addition to itself as this will encourage competitively to achieve best possible price & quality.
6.	Clause-5.2.9	The bidders must be registered under Odisha GST as per Rule 214 of OGFR-2023.	We are in the process of having registration under OGST Act. Can we participate in the bid.	The bidder must have to be registered under OGST Act and submit the valid registration certificate along with the bid document as per bid document.
7.			Inclusion of distinct column for spare part, AMC/CMC in the tender document.	Separate column for CMC has been provided for 3 years beyond warranty period in the BoQ.
8.	Page-63 & 103	Bidder shall have to quote cost of spare parts of the item quoted in price schedule format attached as pdf file in e-Tender portal.	Provide the pdf file in e-Tender portal	Bidders are not required to quote the price of spares as they have to quote CMC charges for 3 years beyond warranty period for the items as per Section-IV.
9.	Item Sl. No.30 (Gel Doc System) Item Sl. No.40 (Chemidocumentation Imaging System)	Specification as per bid document	Gel Doc System:- 4. Smart Tray Technology is a feature of a specific brand, inclusion of this would make the specification too explicit and tightly written for that brand. 12. Kindly delete the word Drawer type as even if the Gel placement is front opening, the system surely will allow access to Gel from either direction for facilitating easy/clutter free gel excision applications. 13. The Imaging System should offer a camera resolution 5 megapixels extendable to 20	No change

			megapixel & carry a pixel size of 3.4 μm x 3.4 μm <i>Specification of the Image analysis software:</i> Kindly delete the Mac compatibility requirement as this again is specific to a brand. Instead make it Window compatible. Chemidocumentation imaging system:- 1. Imaging System should be stand-alone or with PC interface. 10. Light sources/excitation should include – Trans-UV (302/312 nm) 14. The instrument should have onboard attached touchscreen of 12" or bigger with multi-touch capability (2 points) enabling users to easily interact with the touchscreen or through a compatible PC with 22" display or bigger. 20. The system should provide flexibility in selecting the pixel binning options, should be possible to select minimally 1x1, 2x2, 4x4 and 8x8 binning to operate the camera in full resolution. 26. Kindly delete the Mac compatibility requirement as this again is specific to a brand. Instead make it Window compatible.	
10.	Item Sl. No.24 (Digital Balance)	Specification as per bid document	Weighing chamber height may be Omitted	No Change
